

COALSP'S OCTOBER 3, 2008 "EDISCOVERY SUMMIT" GUEST SPEAKERS

CRAIG BALL, ESQ.

Craig D. Ball, P.C. - Austin, Texas

Craig Ball, Esq. is a board certified trial lawyer and certified computer forensic examiner. Mr. Ball is also a board member of the Georgetown University Law School Advanced E-Discovery Institute, and member of the Sedona Conference Working Group on Electronic Document Retention and Production. Mr. Ball has authored numerous articles on forensic technology and electronic discovery, some of which have been published by the American Bar Association and the American Trial Lawyers Association. He serves as a member of the Editorial Advisory Board for Law Technology News and Law.com, and is well known for his monthly Law Technology News column "Ball in Your Court". He has participated as a speaker in many webinars and other presentations on the topics of ediscovery and digital evidence. [CLICK HERE](#) for more information about Mr. Ball.

MAGISTRATE JUDGE BOYD N. BOLAND

United States District Court - District of Colorado

United States Magistrate Judge Boyd N. Boland has served as a magistrate judge since February 2000. He has presided over trials and evidentiary hearings; conducted hundreds of settlement conferences; and issued orders and recommendations on numerous motions involving the gamut of federal jurisdiction. Prior to taking the bench, Judge Boland was a partner in the litigation department of the Denver law firm of Holme Roberts & Owen LLP. Judge Boland has also been an assistant professor of Constitutional Law at Mississippi College School of Law in Jackson, Mississippi, and served as a law clerk to the Honorable Paul V. Hodges, Chief Justice of the Colorado Supreme Court. Magistrate Boland wrote the November 13, 2007 opinion in [Garcia v. Berkshire Life Insurance Company of Colorado](#)

MARK BRENNAN, ESQ.

Bryan Cave LLP - Kansas City, Missouri

Mark Brennan's practice focuses on class action, commercial and products liability litigation matters. Mr. Brennan's commercial litigation practice is varied and involves cases in which contracts, warranties, the Uniform Commercial Code and allegations of fraud are at issue. Mr. Brennan's practice is national in scope; he has participated in the defense of actions brought in 19 states. Mr. Brennan has served as a speaker for FIOS, and the International Legal Technology Association (ILTA). Mr. Brennan is also a member of the Appellate Court Committee and the Technology Committee for the Kansas City Metropolitan Bar Association. [CLICK HERE](#) for more information about Mr. Brennan.

TODD NUNN, ESQ.

K&L Gates - Seattle, Washington

Todd L. Nunn is a partner in K&L Gates' Seattle office and a member of the e-Discovery Analysis and Technology (e-DAT) Group, which provides electronic discovery and document review legal services. Todd advises clients on e-discovery issues, document preservation, and discovery response planning. [CLICK HERE](#) for more information about Mr. Nunn.

JASON PRUSSMAN, ESQ.

Institute for the Advancement of the American Legal System
University of Denver - Denver, Colorado

Jason Prussman is a Research Analyst at IAALS, a national, non-partisan organization dedicated to improving the process and culture of the civil justice system. IAALS has published three reports on the topic of electronic discovery, including Electronic Discovery: A View from the Front Lines, a real-time analysis of how e-discovery is affecting lawyers, judges and litigants. All three publications are available on the IAALS website at www.du.edu/legalinstitute. Before coming to IAALS, Prussman was in private practice at Holme Roberts & Owen LLP in Denver.
