

COALSP's April Lunch & Learn was an exciting "compare and contrast" of leading industry case analysis software applications at the Denver headquarters of Holland & Hart, LLP. This special 2 hour luncheon featured representatives from the following companies demonstrating their products, followed by a question and answer session:

Thomson Reuters CaseNotebook

Clay Dawson, Legal Solutions Consultant, representing Thomson Reuters. Clay started in a sales role in Westlaw, and was a Regional Manager for Small Law Firm for five years before transitioning to Solutions in 2011. He was the # 1 Case Logistix Litigation Product Specialist, earning President's Club in 2012. Clay was appointed to the National Manager for Litigation Product Specialists and served there for two years. In 2015, Clay took a position in consulting for the Legal Managed Services business where he represents clients in Oklahoma City, Kansas, Nebraska, New Mexico, and Colorado.

LexisNexis CaseMap Suite

Lisa Guterson Braverman, J.D., representing LexisNexis. Lisa is an Account Manager with LexisNexis Litigation Services for Large Law accounts. She came to LexisNexis after practicing law for 10 years, gaining experience in both the law firm and in-house environment, with a specialty in employment law. Lisa has worked with law firms, both small and large, to assist them control the increasing cost of litigation and streamline litigation protocols to become more efficient and effective throughout the litigation life cycle. Lisa graduated from the University of Washington with a B.A. in English, and received her law degree from the University of Oregon School of Law. After law school, Lisa had the honor of starting her legal career by serving as a judicial law clerk for the Washington State Court of Appeals, Division One, in Seattle.

Opus 2 Magnum

Steve Fleming, Chief Technology Officer, representing Opus 2 International. Steve leads the technical strategy and R&D for Opus 2 International, including the development of the company's Software-as-a-Service offering, Opus 2 Magnum. Steve joined Opus 2 International in 2008, at which time he helped to crystallize the company vision and incubate the original Opus 2 technology, all while consulting on the delivery of Opus 2 software and services to courtrooms in the UK. Previously, Steve provided technical support to lawyers in the UK, Hong Kong and Singapore, and he managed the IT communications initiatives for the London headquarters of the WPP Group, a £10.0bn company with 162,000 employees worldwide.
